The City of Gold Beach is dedicated to enhancing quality of life, while promoting health, safety, and welfare of our citizens, businesses, and visitors in the most fiscally responsible manner. In doing this, the City will respect the past, respond to current concerns, and plan for the future, while maintaining environmental sensitivity in our beach oriented community

RESOLUTION R1415-05

**A RESOLUTION TO AWARD A CONSTRUCTION CONTRACT FOR
PHASE III WASTEWATER SYSTEM IMPROVEMENTS PROJECT**

WHEREAS, The City solicited interested bidders for proposed Phase III of the Wastewater System Improvement Project—Hunter Creek Pump Stations;

WHEREAS, Four individual bidders submitted bids for consideration for the project; and

WHEREAS, According to ORS 279C.375 (1), the City of Gold Beach is required to award the contract to the lowest responsive bidder; and

WHEREAS, Columbia Pacific Construction, Inc. submitted the lowest responsible bid for the project with a bid of \$721,505; and

WHEREAS, In accordance with ORS 279C.375 (2), the project engineer, the Dyer Partnership Engineers & Planners, Inc., acting on behalf of the City of Gold Beach, notified all bidders of the City's intent to award the contract to Columbia Pacific Construction, Inc. as the lowest responsible bidder; and

WHEREAS, The project engineer, the Dyer Partnership Engineers & Planners, Inc. has confirmed that Columbia Pacific Construction, Inc. is the lowest responsible bidder and recommends the City award the contract to Columbia Pacific Construction, Inc.

NOW, THEREFORE, BE IT RESOLVED: the City Council of the City of Gold Beach, awards the construction contract for Phase III of the Wastewater System Improvements Project—Hunter Creek Pump Stations, to the lowest responsible bidder, Columbia Pacific Construction, Inc. and authorizes the City Administrator to execute all documents related to the project.

Passed by the City Council of the City of Gold Beach, County of Curry, State of Oregon, this 28th day of October, 2014.

Karl Popoff, Mayor

THE DYER PARTNERSHIP
ENGINEERS & PLANNERS, INC.

October 23, 2014

Ms. Jodi Fritts
City of Gold Beach
29592 Ellensburg Avenue
Gold Beach, Oregon 97444

Subject: City of Gold Beach
Wastewater System Improvements Phase III
Project No. 119.21A Phase III

Dear Ms. Fritts:

On October 15, 2014, we opened bids on the city of Gold Beach Wastewater System Improvements Phase III project. We received sealed bids from four potential contractors, who are listed in the attached tabulation. Bids from two contractors, namely, Columbia Pacific Construction, Inc. and Laskey-Clifton Corp., contained errors which our office deemed minor per Section 00200-Instructions to Bidders, Article 19-01 of the Bid Documents and City Public Contracting Rule 137-049-0350. All other bids appeared to be in order, without exception.

Bids for Schedules 1, 2 and 3 combined ranged between \$721,505.00 and \$919,573.00. Columbia Pacific Construction, Inc. was the lowest bidder at \$721,505.00.

Therefore, our office recommends acceptance of all bids as responsive and responsible and award of the contract for Schedules 1, 2 and 3 to Columbia Pacific Construction, Inc. for the proposed amount. Award must be contingent upon the approval of the funding agencies (namely, USDA Rural Development), the opinion of the city attorney, and the successful completion of the protest period following the "Notice of Intent to Award."

With the council's contingent approval, the City must send copies of the information listed below to USDA Rural Development for their concurrence. Our office will work with the City to identify their particular needs.

1. Tabulation of all bids received (attached to this letter)
2. Copy of the proposals from the low bidder, including the following:
 - a. Bid Bond with Power of Attorney
 - b. Signed Compliance Statement (OR Guide Attachment 2)
 - c. Certification Regarding Debarment (Attachment 3)
 - d. Certification for Contracts, Grants and Loans (Attachment 4)
 - e. Disclosure of Lobbying Activities (Attachment 5).
3. Copies of Notices of Advertisement as it appeared in the papers and Affidavits of Publication.

4. Engineer's recommendation for awards, including information concerning the Contractors' experiences and qualifications.
5. City's concurrence in the award.
6. Since our office declared that two bid proposals had minor bidding irregularities, the city attorney should issue a legal opinion supporting the recommendations of the city and engineer. A copy of the Bid Form showing the errors is attached.

We will send out Notices of Intent to Award contingent on City Council approval.

If you have any questions concerning the bid or the documentation required by USDA Rural Development, please contact our office.

Sincerely,
The Dyer Partnership
Engineers & Planners, Inc.

Aaron Speakman, PE
Project Manager
