DRAFT MINUTES UNTIL APPROVED BY THE COUNCIL

CALLED TO ORDER BY MAYOR WERNICKE AT 8:40 P.M.

Mayor, Councilors and City Administrator Present

TOPIC:

DEVELOP COUNCIL GOALS AND LONG- AND SHORT-RANGE PLANS FOR FY 2010-2011

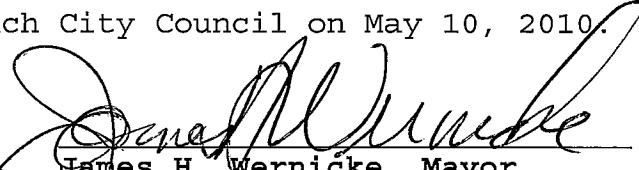

Brand obtained copies of the City of Brookings 2009 business plan and the administrator has also compiled and printed out the comments and ideas from our first town hall meeting. (A)

Wernicke suggested the council take this information home and study them and see about incorporating these things in together to describe our short and long term goals. The Brookings plan has a very good outline and has some things that this council has previously discussed. We'll set a date for a workshop to go over what you have studied and reviewed.

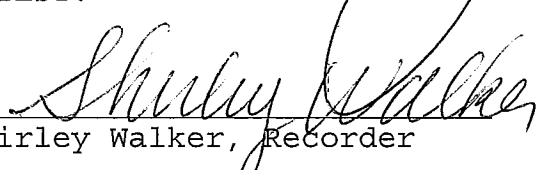

Following the 5:30 p.m. budget meeting on May 6th, a workshop will be scheduled to discuss goals.

ADJOURNED at 8:55 p.m.

Passed by the Gold Beach City Council on May 10, 2010.

James H. Wernicke, Mayor

ATTEST:

Shirley Walker, Recorder
