MOTION: Councilor Melinda McVey made a motion that the Council adopt Resolution R1415-03, a resolution of the City of Gold Beach, to submit to the voters of the City a measure concerning a seven-year capital projects local option tax for a fire truck and call an election. Councilor Larry Brennan seconded the motion.

Mayor Karl Popoff asked if there was any discussion or debate.

Councilor Brand said he heard through the grapevine, while sitting in front of three commissioners, that the sheriff's levy is coming back up in November. CA Jodi Fritts said the County is calling a special election in September, hoping if it passes they can start collecting in November. She clarified that if the fire truck levy passes, the City will not collect until next November. Councilor Brand asked if there was a way to give positive information to the voters regarding the levy. Fritts said she would recommend what was done in 2013, which was including an informational sheet in the water bills that were sent out. She said she would encourage the electeds to speak with their constituents. There was discussion regarding the possibility of house insurance rates going up if the levy does not pass.

Mayor Karl Popoff asked if there was further discussion. No further discussion. Mayor Popoff called the question.

The Mayor said there were three positions up for re-election. There was discussion regarding on how to refile, deadlines, and also that interested citizens that would like to run for election can come to City Hall or go to the City's website to get information. The forms can be picked up at City Hall.

b. Continuation of proposed elected official travel policy

CA Fritts asked the Mayor if the continuation of proposed elected official travel policy could be moved to the next meeting as Councilor Tamie Kaufman had requested this item and she is not present at the meeting. The Mayor agreed that it could be moved.

11. City Administrator's Report

To be presented at meeting

CA Fritts presented her monthly report which is attached to these minutes.

12. Mayor and Council Member Comments

- a. Mayor Karl Popoff: He said he will be attending the Oregon Mayor's Association meeting. It will be held in Pendleton. He said he would like to commend the chief and his officers for doing their best to maintain discipline in the park. He said it has become increasingly difficult and has resulted in damage to Kid Castle. He said it's a family place. We don't need foul language, screwball antics, or anything to endanger children going on there.
- b. Councilors

- 1) Melinda McVey: No comments.
 - 2) Larry Brennan: No comments.
 - 3) Brice Gregory: Absent
 - 4) Doug Brand: He said he was reading the statutes for the state of Oregon on medical marijuana and the taxation, and he came across a small paragraph that says that the State has total control over the taxes and a portion will be issued to the cities by population. No city or county can impose taxes.
The definition of a fisherman: A jerk on one end of the line waiting for a jerk on the other end.

9. ***Ordinances & Resolutions (pages 20-39)***

- a. *Ordinance 646 LS Networks Franchise*

This agenda item was postponed at the request of LS Networks.

b. Resolution R1213-08 consolidating water and sewer rate resolutions

City Administrator Jodi Fritts said at last month’s meeting the direction was to incorporate the utility fees into the City Fee resolution. After consulting with legal counsel it was advised that the utility fees be a separate resolution since they get changed more often than the other fees. Legal counsel also advised that prior to the annual inflation rate change we are required by state law to have a public hearing in order to allow for comment from citizens—we do that, but it’s just a reminder. The language regarding a public hearing was put into the resolution. CA Fritts said this resolution does not increase current rates this just codifies the water and sewer resolutions into one.

MOTION: Councilor Tamie Kaufman made a motion to approve Resolution R1213-08, a resolution setting water and sewer rates and implementing an annual inflation adjustment rate and repealing R1011-30 and R0809-08 and any other resolutions that may be in conflict. Councilor Larry Brennan seconded the motion.

Mayor Karl Popoff asked if there was any discussion or debate. No further discussion. Mayor Popoff called the question.

10. *Miscellaneous Items (including policy discussions and determinations)*

a. Public Safety info from Commissioner David Smith

Commissioner Smith was not present but had sent information about the state of public safety in Curry County. The Mayor commented that it was the same situation as Josephine County. Discussion about Curry County situation and the affects it may have on the City and our citizens.

b. City Administrator salary discussion

Councilor Kaufman had requested at the February meeting that this item be added to the agenda for March. CA Fritts has completed her Local Government Manager Certificate program through the League of Oregon Cities. Councilor Kaufman asked the Mayor if she could have the floor. Kaufman said she had received a packet from LOC the past month regarding Fritts' LGMC program completion. She read a brief statement from LOC and then presented Fritts with her certificate and award from LOC.

Mayor Popoff said that Fritts did not wish to discuss the matter publicly since it directly affected her. The Mayor said that Fritts had given the Council in their packets a recent salary survey of other small Oregon cities. Councilor Kaufman said that since we were preparing to start budget hearings she felt this was a good time to start talking about merit raise especially since Fritts had completed her LGMC certificate. Councilor Larry Brennan said of the 12 cities on the surveys, Gold Beach is one of the higher in population served but in the lower half for wages. Many cities smaller than Gold Beach pay their manager more. Mayor Popoff asked Fritts if she knew how many years' experience did the other managers have in their positions? Fritts said the salary study did not list that information. Councilor Doug Brand felt that the lowest and highest wages should be thrown out of consideration. Mayor Popoff felt a decision should wait until the budget hearings. Councilor Kaufman had reviewed the current year expenditures and that there was enough money in the current year budget for an increase. Mayor Popoff did not think a decision should be made now—he felt they did not have adequate time to review the information. Discussion about COLAs from last budget year. Councilor Brennan suggested 3%-5%. Councilor Brand felt that since Fritts had received her LGMC that 5% was fair. Fritts asked if that was what the Council wanted her to build into the budget. Councilor Kaufman said she felt the 5% should begin April 1st. Councilors Brand, Brennan, and Gregory agreed 5%.

c. Urban Renewal Meetings next month

CA Fritts said the final plan would be presented to the planning commission on April 9th. The plan will be presented to the County Commissioners prior to our scheduled meeting on April 22nd. Fritts said they had a special meeting with the taxing districts on February 26th. She followed the meeting up with a letter to those members that did not attend. Very little input at meeting and no response to the letters. Fritts said she would be presenting the plan at the monthly Chamber of Commerce meeting tomorrow. Fritts said she wanted as much public input regarding the plan as possible.

d. Budget Calendar

The first budget hearing will be April 11th. The proposed budget will be delivered on April 4th.

e. Upcoming meetings and trainings

Upcoming meetings and trainings for April were included in the agenda packet.

11. City Administrator's Report

City Administrator Jodi Fritts presented her monthly report which is attached to these minutes.

12. Mayor and Council Member Comments

- a. Mayor Karl Popoff: Crisis time for county law enforcement--the state is not going to come to our rescue. River dredging also a crisis issue—brief update on meetings he attended regarding the issue.
- b. Councilors
 - 1) Jeff Crook: Not present
 - 2) Larry Brennan: Congratulations to Fritts on certificate.
 - 3) Brice Gregory: Congrats to Fritts. Gregory said we all need to be responsible voters regarding the law enforcement levy. We need to think about long term affects to tourism, the town, insurance rates. Be educated and participate.
 - 4) Doug Brand: Nothing this evening
 - 5) Tamie Kaufman: Nothing this evening

6. **Public Hearing**

*a. Dangerous Building Hearing
94270 Button Lane*

The public hearing was opened at 6:40PM. City Administrator Jodi Fritts presented the agenda report and explained the City Code process for a Dangerous Building. The property owner, George Michels, was present. Michels said the building is not occupied at this time and he lives at another address. He said he just had materials given to him to start roof repairs and he hopes to begin that tomorrow. He brought a photocopied photo to pass around. He said he has not weed whacked. He said he was trying to get funding to make repairs so that he could move back into the trailer. Michels said there is an \$85,000 lien on the property and he can't get a loan. He had hoped in the past to have the existing trailer removed and replaced with a new manufactured home but the lien prevented that. Michels said he thinks if he fixes the roof that will make the building safe. There are no issues to the electrical or heating system. There are no rodents in the building and he acknowledged it needs to be repaired. He says renting another house prevents him from putting money into this property.

Councilor Tamie Kaufman said it appeared the bushes and berry vines were actually growing into the trailer. Michels said they are not. Councilor Kaufman said she was surprised that he had not received nuisance letters for weed abatement. Michels said the pictures were deceiving that most of the growth in the front was not on his property. He said that was why he had drawn on line on the photo he presented.

Councilor Brice Gregory asked about the cars/vehicles in the photos. He said they would be chopped up and removed and asked for 30 days to get that done. Discussion about vehicles and other junk in the photos.

Councilor Brand asked if all the doors and windows were secured. Michels said they were.

Councilor Gregory asked Michels the last time he had been inside the trailer. Michels said he had been in the trailer about a month ago. Gregory asked what the inside looked like since it appeared the roof was in disrepair. Michels said the carpet is damaged but no soft spots in the floor.

Councilor Kaufman asked Michels if he was requesting 30 days to get the work done. Michels said yes. Mayor Popoff said he was showing good faith by attending the meeting.

The public hearing was closed at 6:54PM. The council began deliberating.

MOTION: Councilor Tamie Kaufman made the motion to give Michels 90 days to complete the cleanup and communicate with the City Administrator every 30 days on his progress. Councilor Larry Brennan seconded the motion.

Discussion about the extent of what should be cleaned up. Weeds and brush cleaned up. Remove the vehicles. Repair the structure.

Mayor Karl Popoff asked if there was any discussion or debate. No further discussion. Mayor Popoff called the question.

7. Citizen Requested Agenda Items (pages 14-42)

a. Bob and Diane Williams-parking on 10th Street

Citizens Bob and Diane Williams brought a petition to the Council to have the No Parking signs replaced on 10th Street. The signs had been removed recently since there appeared to be no reason for them. Williams said the signs had been there for at least 30 years. CA Fritts said she had researched back to the 70s and could find nothing in Council minutes why the street would be no parking. Prior to taking down the signs staff had contacted the City Engineer and asked them to review the street to determine if there was an engineering reason to have no parking. There was no reason found. Prior to the hearing staff conducted a site visit on other numbered streets in town and found that most were the same width as 10th and none prohibited parking including 4th Street where the hospital is located.

Very long discussion about the signs and the history. Heated request to have the signs replaced. Decision was to table the matter until January and revisit.

b. Earl Crumrine-HB 3460

County resident Crumrine operates a medical marijuana business in Wedderburn. He presented the Council with a list of questions regarding the state's proposed regulation of medical marijuana facilities. Long discussion with Crumrine. The City Administrator would write Crumrine a letter to answer his questions.

Brief break at 8:07PM to change recorder batteries.

c. Citizen request through the Mayor-activity at Buffington Park

The citizen was not present but the Mayor said he had been approached by a citizen to allow the park for 4th of July activities. Brief discussion.

8. Public Contracts and Purchasing

None scheduled

9. Ordinances & Resolutions

None scheduled

10. Miscellaneous Items (including policy discussions and determinations)

a. Info breakdown on the health district ballot measures

CA Fritts had included an info breakdown from the health district on historical ballot measures. No discussion, info only.

b. October financials/YTD 1st Qtr FY 13-14

Councilor Kaufman had a few questions:

Business License fees appeared to be down. CA Fritts said she thought it was how the billing fell and it would probably go up in June but she would check in Caselle.

Insurance and Bonding was up throughout the funds. Fritts said she would check with CIS Insurance and the budget figure came from them. She would look into it and said it may relate to the wastewater plant.

Mayor Travel-Kaufman noted that the line was way overspent. Mayor Popoff said he did not know that it was over. CA Fritts said typically the travel line is for the LOC Conference but there are other meetings that can be attended throughout the year.

Personal Services-Muni Court: Kaufman noted this was in the 40% range so far. Fritts said she was aware of the line item.

Kaufman noted in the Promo Fund was % over on a lot of line items. Discussion about how advertising falls throughout the year and seasonally purchasing.

Kaufman noted there was expenditures for unemployment and did not realize anyone was on unemployment. Fritts said this was for former terminated employees that were state eligible for unemployment even though they had been fired.

Mayor Popoff thanked Kaufman for her diligence.

c. Update on land use writ of mandamus

CA Fritts explained the land use mandamus process. This is the zone change application that can't be processed because we don't have a planning commission. Fritts said our attorney worked with applicants attorney and have worked out a solution to keep the matter from going to circuit court. Next month the Council will act as the planning commission and process the application. The land use hearing notices went out already. General discussion on the process.

d. Upcoming meetings and trainings

CA Fritts included the upcoming meetings and trainings available for December.

11. City Administrator's Report

CA Fritts presented her monthly report which is attached to these minutes.

GOLD BEACH CITY COUNCIL AGENDA REPORT

Agenda Item No. **8. a./9. a.**
Council Hearing Date: July 21, 2014

TITLE: Resolution R1415-01 Contract Award for Jerry's Flat waterline replacement project

SUMMARY AND BACKGROUND:

This project was approved by the budget committee and council for fiscal year 14-15. As you may recall, we need to move a portion of our main Jerry's Flat waterline due to a county culvert project. While scoping for that project it was discovered that a portion of the main line was located in an odd position. Since the line is 50+ years old and approximately 10 years passed its intended design life, the Public Works Superintendent and city engineer determined this would be a good opportunity to replace that section of waterline.

We let a bid last month for the proposed project. We received four bids, three of which were valid for consideration. McLennan Excavation, Inc. was the low bidder. Dyer Partnership, our engineers, recommend that we accept the bids and award the contract to the lowest responsive bidder, McLennan. I have attached a copy of their recommendation letter.

FINANCIAL IMPACT:

The bid is for \$294,305. We have budgeted \$455,000 for this project.

DOCUMENTS ATTACHED:

- Letter from Dyer Partnership
- Resolution R1415-01

REQUESTED MOTION/ACTION:

Motion to accept the three responsive and award the contract

SUGGESTED MOTION:

I make the motion that we adopt Resolution R1415-01, a resolution to award a construction contract for Jerry's Flat waterline replacement project.

RE: Jerry's Flat Road Water Line Replacement
Project No. 119.29

Dear Jodi:

This letter is to recommend action by the City in response to bids received on July 16, 2014 for the above referenced project. We received three responsive bids and one incomplete bid. Bids ranged from \$294,305.00 to \$415,270.00. The Engineer's Estimate was \$350,000 to \$410,000. Please see enclosed summary of bids and original bids.

We recommend that the City take the following action:

1. Accept all bids.
2. Award a contract to McLennan Excavation, Inc., the lowest responsive bidder in the amount of \$294,305.00 contingent upon no protest being received during the Notice of Intent to Award Protest Period.

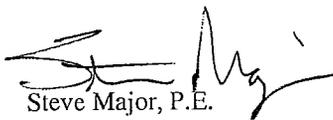

It is our opinion that McLennan Excavation, Inc. has sufficient experience and qualifications to satisfactorily construct the project.

Assuming the Council concurs with our recommendation, we have enclosed three copies of the Notice of Award. A representative for the City needs to sign all three copies after which they should be returned to our office. (*Please do not date the Notice of Award.*) We will date the Award following the Protest Period. Contracts and Performance Bonds will then be forwarded to McLennan Excavation, Inc. for their signature.

Pursuant to ORS 279C.835, the Oregon Bureau of Labor and Industries requires that Form WH-81 be filled out by the contracting agency and sent to them with a copy of the first-tier subcontractor form, if applicable (ORS 279C.370), within 30 days of issuing the Notice of Award. The form is available at <http://www.oregon.gov/boli/WHD/PWR/docs/wh81.pdf>. The Owner is also responsible for payment of a Public Works Fee to the Bureau of Labor & Industries. This payment is accompanied by Form WH-39 which is available at <http://www.oregon.gov/boli/WHD/PWR/docs/wh39.pdf>.

Dear Jodi:

The Department of Land Conservation and Development (DLCD) is pleased to offer the City of Gold Beach a Coastal Management grant to assist you in your planning needs.

The enclosed grant agreement indicates the total amount of our offer and lists the standard and special conditions the City must meet. **Please note the following:**

1. Before signing the grant agreement, **please read the agreement and attachments carefully** as they contain the terms and conditions upon which the grant is offered. If any corrections in contact information, etc. are necessary, please make those with red ink and initial the changes. If you have any questions, please contact your assigned DLCD field representative which is listed on the first page of the grant agreement.
2. **Sign and return the original agreement** to diana.evans@state.or.us. I will then have DLCD sign, scan and return to you the fully executed agreement. Signature of the grant declares acceptance of **all** terms and conditions in the grant agreement. Please note that there **are** reporting requirements as a result of accepting this grant. They are spelled out within the text of Attachment A.
3. **In addition** to signing and returning the original agreement, the agreement **must be** accompanied by a request for the grant funding by way of a **formal letter or resolution from your City Council or Board of Commissioners**.
4. The grant agreement is **not** in effect until the agreements **and** letter/resolution are returned to the department **and** signed by DLCD.
5. A FAX will not be accepted.

Funds will be sent to you in accordance with the payment schedule in the grant agreement.

GOLD BEACH CITY COUNCIL AGENDA REPORT

Agenda Item No. **9. c.**
Council Hearing Date: July 21, 2014

TITLE: Resolution R1415-03 Local Option Tax Levy for fire truck

SUMMARY AND BACKGROUND:

We spent a lot of time last year discussing the resumption of the local option tax levy for the future purchase of a new fire truck in approximately 7 years. I am attaching the council report and information from last year instead of rehashing it all in new report.

We put the measure on the ballot of the November 2013 election. The measure did not pass. The statistics provided by the County Clerk showed we had a 70.12% voter turnout and 862 valid votes cast. The vote was 408 in favor of the levy and 454 against, so we lost by 46 votes. Clearly this is an important issue for our citizens. I believe the measure would have passed had it not been for the hospital levy—BUT it was vitally important that that measure pass as well and I knew we would have time for another bite at the apple where the hospital district did not. I am glad their measure passed because it deeply affects our community and the loss of the hospital would be catastrophic for many different reasons.

We are now back to that second bite at the apple. In order to proceed with putting this measure on November 2014 ballot we need to follow the same process we did last year (in attached report). I revised the resolution for the levy for us to consider tonight. Due to the state election timelines for filing we need to make a final decision on whether to proceed in November tonight.

FINANCIAL IMPACT:

The proposed levy is for a total of \$60,000 per year which is approximately \$0.27 per \$1,000 of assessed value

Suggested Motion:

I make the motion that the Council adopt Resolution R1415-03, a resolution of the City of Gold Beach, to submit to the voters of the City a measure concerning a seven year capital projects local option tax for a fire truck and call an election.

Council and Chief Floyd

RESOLUTION R1415-03

**A RESOLUTION OF THE CITY OF GOLD BEACH, CURRY COUNTY OREGON,
TO SUBMIT TO THE VOTERS OF THE CITY A MEASURE CONCERNING A
SEVEN (7) YEAR CAPITAL PROJECTS LOCAL OPTION TAX FOR A FIRE
TRUCK AND TO CALL AN ELECTION**

RECITALS:

- A.** The City's 2013-2014 property tax base of \$518,586 (\$2.336 per \$1000 of assessed value), was established by Constitutional limitation, and the Council has not received approval of a new tax base proposal since at least June of 1999.
- B.** The City has historically financed acquisition of new fire trucks through serial levies in approximately seven (7) year increments. The first levy was approved by the voters in 1989. The most recent fire truck levy was approved by the voters in November 2004.
- C.** In order to continue to finance the capital purchase of adequate fire protection equipment, specifically a fire truck, the Council has determined that a Capital Projects Local Option Tax be established for the acquisition of the fire truck.
- D.** By Resolution R1314-01, approved by the Council on August 12th, 2013, the measure was placed before the voters of the City of Gold Beach for the November 2014 General Election. The measure failed to pass by a slim margin.

NOW, THEREFORE, THE CITY OF GOLD BEACH RESOLVES AS FOLLOWS:

Section One. The Measure hereinafter set forth shall be submitted to the legal voters of the City of Gold Beach, Oregon, at an election to be held on November 4, 2014 for their adoption or rejection:

CAPTION:

SEVEN YEAR CAPITAL PROJECTS LOCAL OPTION FIRE TRUCK LEVY.

QUESTION:

Shall Gold Beach impose \$60,000 per year for seven years for capital projects beginning in fiscal year 2015-2016? This measure may cause property taxes to increase more than three percent.

SUMMARY:

This measure would impose property taxes of \$60,000 per year for seven years to purchase a replacement fire truck for the City of Gold Beach. Fire trucks average a useful life of twenty-five years. New trucks currently cost between \$400,000 and \$700,000. Purchase of a new truck from this levy is expected by June 30, 2022. The Gold Beach-Wedderburn Rural Fire Protection District, to which the City

provides contract fire protection services, will contribute \$100,000 toward the purchase price. The total amount to be raised by this local option tax is \$420,000. It is estimated that the proposed tax will result in a rate of \$0.27 per \$1,000 of assessed value. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of the estimate.

Section Two. The City Council orders this City election to be held in the City of Gold Beach, Oregon, concurrently with the general election, on the 4th day of November, 2014, in accordance with the provisions of Chapter 254 of the Oregon Revised Statutes. The ballots shall be counted and tabulated and the results certified as provided by law.

Section Three. The election shall be conducted by Curry County. The County Clerk for Curry County is hereby instructed to prepare ballots and to take other actions necessary to conduct the election.

Section Four. This Resolution, including the proposed ballot title, shall be filed with the City Administrator at the City of Gold Beach City Hall.

Section Five. The City Administrator shall give notice of this measure as required by law and take such other actions and otherwise proceed with the election as provided by law.

Section Six. This Resolution shall become effective immediately upon its adoption

PASSED BY THE CITY COUNCIL OF THE CITY OF GOLD BEACH, COUNTY OF CURRY, STATE OF OREGON, and EFFECTIVE THIS 21st DAY OF JULY, 2014.

Title

Proposed Seven Year Capital Projects Local Option Levy for Purchase of New Fire Equipment

Since 1989, the City of Gold Beach has proposed capital projects local option levies every seven years. The money raised from those levies has been used to fund programmed replacement of the oldest fire equipment used for fire suppression within the City and the Gold Beach-Wedderburn Rural Fire Protection District. The most recent levy was approved by the voters in 2004 and sundowned in 2011.

The City currently maintains an ISO insurance residential class rating of 5 due to the City's fire equipment, municipal water distribution system, and trained fire fighters. The City's current ISO rating could decline if the City's does not maintain a certain caliber of fire equipment. If the City's ISO rating declines, fire insurance rates could increase. New fire engines currently cost between \$400,000 and \$700,000. The oldest City fire engine still in service was purchased in 1987.

How much would the levy cost?

The passage of the 2004 levy authorized a flat levy amount of \$40,000 per year. In 2011, that levy amount translated to approximately \$0.18 per \$1,000 of assessed value. The proposed levy would authorize collection of a flat \$60,000 per year for seven years, or approximately \$0.27 per \$1,000 of assessed value. If approved, the funds collected would accrue for the seven years of the levy in a reserve fund.

Under the terms of its contract for fire service with City, the Gold Beach-Wedderburn Rural Fire Protection District would also contribute \$100,000 toward the purchase of new fire equipment at the end of seven years. If the proposed levy is approved, purchase of a new engine is expected by June 30, 2022.

If you have specific questions about the proposed levy you may contact City Hall, or additional information may be obtained on the City website:

GOLD BEACH CITY COUNCIL AGENDA REPORT

Agenda Item No. 9. a.
Council Hearing Date: August 12, 2013

TITLE: Resolution R1314-01 Capital Projects Local Option Tax for fire truck

SUMMARY AND BACKGROUND:

Since 1989 the City has put forth a capital projects local option tax levy for the purchase of fire trucks. The levies run for a seven year period and then a new truck is purchased. The levies have been renewed every seven years for over 20 years. The most recent levy was approved in 2004 and sundowned in 2011. We are purchasing the truck this year from the proceeds of that levy.

The first step in the election process is for the Council to acknowledge the need for the election and then to review and approve the ballot measure language that will put before the voters in November. State election filing deadlines require the measure documents be filed with the County Clerk by September 5th. We are required to publish notice of the proposed measure at least ten days prior to that filing deadline.

Fire Chief, Bruce Floyd, made a presentation to the Council in January regarding the necessity to replace the fire trucks on regular schedule and how having adequate equipment ensures our higher insurance protection rating. I have attached a copy of that informational report for your convenience.

FINANCIAL IMPACT:

The proposed levy is for a total of \$60,000 per year which is approximately \$0.27 per \$1,000 of assessed value

REQUESTED MOTION/ACTION:

Adopt/Do not Adopt Resolution R1314-01

Suggested Motion:

I move that the Council ADOPT/DO NOT ADOPT Resolution R1314-01, a resolution of the City of Gold Beach, to submit to the voters of the City a measure concerning a seven year capital projects local option tax for a fire truck and call an election.

Revised

RESOLUTION R1314-01

**A RESOLUTION OF THE CITY OF GOLD BEACH, CURRY COUNTY OREGON, TO
SUBMIT TO THE VOTERS OF THE CITY A MEASURE CONCERNING A SEVEN (7)
YEAR CAPITAL PROJECTS LOCAL OPTION TAX FOR A FIRE TRUCK AND TO
CALL AN ELECTION**

RECITALS:

- A. The City's 2012-2013 property tax base of \$518,586 (\$2.336 per \$1000 of assessed value), was established by Constitutional limitation, and the Council has not received approval of a new tax base proposal since at least June of 1999.
- B. The City has historically financed acquisition of new fire trucks through serial levies in approximately seven (7) year increments. The first levy was approved by the voters in 1989. The most recent fire truck levy was approved by the voters in November 2004.
- C. In order to continue to finance the capital purchase of adequate fire protection equipment, specifically a fire truck, the Council has determined that a Capital Projects Local Option Tax be established for the acquisition of the fire truck.

NOW, THEREFORE, THE CITY OF GOLD BEACH RESOLVES AS FOLLOWS:

Section One. The Measure hereinafter set forth shall be submitted to the legal voters of the City of Gold Beach, Oregon, at an election to be held on November 5, 2013 for their adoption or rejection:

CAPTION:

SEVEN YEAR CAPITAL PROJECTS LOCAL OPTION FIRE TRUCK LEVY.

QUESTION:

Shall Gold Beach impose \$60,000 per year for seven years for capital projects beginning in fiscal year 2014-2015? This measure may cause property taxes to increase more than three percent.

SUMMARY:

This measure would impose property taxes of \$60,000 per year for seven years to purchase a replacement fire truck for the City of Gold Beach. Fire trucks average a useful life of twenty-five years. New trucks currently cost between \$400,000 and \$700,000. Purchase of a new truck from this levy is expected by June 30, 2022. The Gold Beach-Wedderburn Rural Fire Protection District, to which the City provides contract fire protection services, will contribute \$100,000 toward the purchase price. The total amount to be raised by this local option tax is \$420,000. It is estimated that the proposed tax will result in a rate of \$0.27 per \$1,000 of assessed value. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of the estimate.

Section Two. The City Council orders this City election to be held in the City of Gold Beach, Oregon, concurrently with the general election, on the 5th day of November, 2013, in accordance

with the provisions of Chapter 254 of the Oregon Revised Statutes. The ballots shall be counted and tabulated and the results certified as provided by law.

Section Three. The election shall be conducted by Curry County. The County Clerk for Curry County is hereby instructed to prepare ballots and to take other actions necessary to conduct the election.

Section Four. This Resolution, including the proposed ballot title, shall be filed with the City Administrator at the City of Gold Beach City Hall.

Section Five. The City Administrator shall give notice of this measure as required by law and take such other actions and otherwise proceed with the election as provided by law.

Section Six. This Resolution shall become effective immediately upon its adoption

PASSED BY THE CITY COUNCIL OF THE CITY OF GOLD BEACH, COUNTY OF CURRY, STATE OF OREGON, and EFFECTIVE THIS 12th DAY OF AUGUST 2013.

Proposed plans for fire department equipment and facilities

HISTORY: Approximately 30 years ago the City lacked the ability to purchase necessary fire apparatus on a programmed basis. At that time the City went to the voters to support this effort through a seven year serial levy. Since that time the levy has been consistently renewed until the most recent levy sundowned in November of 2011. The Gold Beach/Wedderburn Rural Fire Protection District (which we cover) also contributes annually to the apparatus fund.

As a planning tool, we originally looked at the national average life span of a fire engine—approximately 15 years; and then made adjustments for what we could realistically expect for our level of usage. At that time, based on local experience and the experiences of other small town fire departments, we determined that a 25-30 year life span was realistic for replacement planning purposes.

The Insurance Services Office (ISO) collects and evaluates information from communities on their structural fire suppression capabilities. The data is analyzed using their Fire Suppression Rating Schedule (FSRS) and then a Public Protection Classification (PPC) number is assigned to the community. This PPC number is utilized by insurance providers when insuring structures within that community. The ISO indicates that we need to have three (3) frontline fire engines and one (1) reserve (semi-retired) at any one time to maintain our current rating of PCC Residential 5.

The rotation plan for replacement of front line equipment was to purchase a new engine approximately every seven years, with the newest replacing the oldest. Due to the age and space constraints of our current fire station we have historically housed the reserve engine with a neighboring fire district—allowing for their use of the equipment, while retaining the ownership for our rating needs. The “on loan” engines are the oldest of our engines and due to the construction methods of the day, as well as the dated safety features, their serviceability is questionable by today’s standards.

PRESENT DAY: Once the funding mechanism was in place (serial levy) we were able to purchase fire apparatus that has been a higher quality and longer lived equipment than we have purchased in the past. Where our '46, '56, '65, and '74 engines were more than ready for replacement by the end of the expected life span we have found that our current fleet of '87, '96, and '06 engines are living longer. The '74 is our “on loan” reserve. The '87 is due to be rotated into reserve status according to our normal timeline. However, we feel it is still serving us well, and with normal maintenance and repairs, it will serve us through another seven year rotation. In a nut shell, we find ourselves ahead of the curve after almost 30 years of pursuing the acquisition of three, quality Class A fire engines.

MOBILE WATER SUPPLY a long standing need: The water distribution system within the City is in excellent condition (and noted by ISO in their recent review) due to the diligent improvements made over the past decades. However, we still have areas where fire hydrants are

not within reach of fringe areas such as Hunter Creek and large portions of the GB/Wedderburn District that we cover. Their district has the greatest amount of structures not adequately covered by fire hydrants. In areas with sufficient hydrants, water supply is not an issue. In those areas inadequately covered water supply is a critical issue.

All of our engines carry 750 gallons of water (the '87 carries 1000) which means we can carry 2500 gallons collectively. A two engine response will bring approximately 1500-1750 gallons to a scene. A third engine would bring the maximum capacity. 1500-2500 gallons of water is a marginal amount to extinguish most well involved structure fires. We are not equipped to supply water to fringe areas lacking sufficient hydrants.

PROPOSED SOLUTION: As we find ourselves caught up on the curve of Class A engines, we recommend that we keep the '87 engine in-house and active and purchase a 2000 gallon water tender to add to the fleet. The tender would more than double the amount of water we could deliver in addition to our two engine standard response. This would greatly improve water availability in those areas with marginal hydrant coverage. The in-house retention of the '87 engine gives us even more depth to our response capabilities.

VEHICLE HOUSING: We currently lack the floor space to house five pieces of equipment (the existing fleet plus the tender). We propose to reconfigure the existing fire hall and meeting room to accommodate the additional vehicle. This would involve removing approximately 500 square feet of the existing meeting room space (currently underutilized) and extending the building footprint west and north. This would free up a bay in the main apparatus room to accommodate the water tender.

FUNDING FOR TENDER AND BUILDING: We have spoken with legal counsel and the funds collected from the serial levy can be utilized for the tender purchase and building alterations. We currently have approximately \$425K in savings for these purchases.

THE FUTURE: While we currently find ourselves "ahead of the game" with the acquisition of the tender and taking advantage of the extended longevity of better quality equipment; we still need the support of the communities we serve in passing future serial levies to maintain our fire suppression capabilities on a programmed basis. At some point we will need to retire the '87 engine. In seven years it will be 33 years old. A new engine in 2018 will likely cost \$500K or more. The cost of the annual serial levy is lower than the increased fire insurance costs if our community's ISO rating is lowered. It is critical that we continue our serial levy and begin saving for this future purchase.

Agenda Item No. **10 a.**
Council Hearing Date: July 21, 2014

TITLE: Expiration of Council Terms and November Election

SUMMARY AND BACKGROUND:

Council Positions #1, #3, and #5 currently occupied by Melinda McVey, Brice Gregory, and Tamie Kaufman respectively, are due to expire on December 15th. Councilor Kaufman has expressed the desire to refile for her position.

Attached is the 2014 City Candidates Handbook. In order to be eligible to be on the November ballot Candidate Filing Form SEL 101 along with the \$50 OR the required number of signatures must be received no later than August 26th but we recommend that forms be received no later August 15th to allow the County Clerk's office sufficient time to verify voter signatures (if you do not file by fee).

This is a call out to other city citizens that are interested in participating in local government; an often thankless, but rewarding endeavor. I hope the current councilors choose, like Councilor Kaufman, to refile. I have enjoyed working with all of you and I very much appreciate the service you provide to our city.

It is the responsibility of the candidate to confirm deadlines with the Elections Officer, in advance of those deadlines. Some deadlines may be adjusted due to changes made by the legislature that were not available for this informational packet at the time of printing.

This Candidates Information Packet is an effort to assist candidates with the election process and should not be viewed as legal advice. Please contact the City Administrator or City Recorder if you have questions regarding the elections process.

GENERAL INFORMATION ABOUT CITY ELECTIONS

By charter, the Gold Beach City Council is composed of an elected mayor and five elected at-large councilors. Election of the officers coincides with state General Elections and terms are staggered – two council positions and the mayor are elected during one race, and three council positions are elected in the next. The council positions are consecutively numbered Position 1 through 5.

The positions for the November 2014 General Election are: Council positions #1, #3, and #5. The terms begin on December 15, 2014.

HOW TO FILE FOR ELECTIVE OFFICE

To file for the 2014 General Election: candidates may file in one of two ways:

To file by paying the filing fee: Complete Form SEL 101 (in this packet) and return to the City Business Office along with the required filing fee of \$50.

To file by Petition: Complete Form SEL 101 (in this packet) and file at least one (1) full Candidate Signature Sheet.

- PLEASE NOTE: You must receive the OFFICIAL form from the City Recorder prior to obtaining signatures. Please request this form from the City Business Office.
- TEN (10) signatures are required by the County Elections Office, however, we recommend obtaining at least 15-20 in case some names are disqualified.

The City of Gold Beach is dedicated to enhancing quality of life, while promoting the health, safety, and welfare of our citizens, businesses, and visitors in the most fiscally responsible manner. In doing this, the City will respect the past, respond to current concerns, and plan for the future, while maintaining environmental sensitivity in our beach oriented community.

- Signatures MUST be electors within the city limits—they must be legally registered voters within the City of Gold Beach.

The deadline to file a completed Candidate Filing Form SEL 101—along with the filing fee or signatures—is no sooner than June 5, 2014 and no later than August 26, 2014. If you are filing by signature we recommend having your signatures in by no later than August 15th to allow time for verification by the County Clerk’s Office.

City elections are non-partisan and all other general election laws of the state of Oregon govern.

Candidates must be qualified to vote within the meaning of the state constitution.

Candidates must be a resident of the City of Gold Beach, as defined by City Code below, for a minimum of one year immediately preceding the election.

RESIDENT: An individual is a “Resident” of the City of Gold Beach for the purposes of serving on a City Commission or Committee if:

- a) The individual lives within the city limits of Gold Beach and intends to make the City of Gold Beach a fixed and permanent home; and
- b) Gold Beach is listed as the individual’s residence address for federal income tax purposes; and
- c) The records of the Curry County Tax Assessor list Gold Beach as the individual’s mailing address; and
- d) Gold Beach is listed as the individual’s residence address on their valid Oregon driver’s license or state issued identification card; and
- e) The individual is an elector as defined by Section 12 of the Gold Beach Charter.

OTHER INFORMATION

Political signs do not require a sign permit or fee, and must be removed within ten (10) days following the final election for which they were intended.

Dear Jodi:

The Department of Land Conservation and Development (DLCD) is pleased to offer the City of Gold Beach a Coastal Management grant to assist you in your planning needs.

The enclosed grant agreement indicates the total amount of our offer and lists the standard and special conditions the City must meet. **Please note the following:**

1. Before signing the grant agreement, **please read the agreement and attachments carefully** as they contain the terms and conditions upon which the grant is offered. If any corrections in contact information, etc. are necessary, please make those with red ink and initial the changes. If you have any questions, please contact your assigned DLCD field representative which is listed on the first page of the grant agreement.
2. **Sign and return the original agreement** to diana.evans@state.or.us. I will then have DLCD sign, scan and return to you the fully executed agreement. Signature of the grant declares acceptance of **all** terms and conditions in the grant agreement. Please note that there **are** reporting requirements as a result of accepting this grant. They are spelled out within the text of Attachment A.
3. **In addition** to signing and returning the original agreement, the agreement **must be** accompanied by a request for the grant funding by way of a **formal letter or resolution from your City Council or Board of Commissioners.**
4. The grant agreement is **not** in effect until the agreements **and** letter/resolution are returned to the department **and** signed by DLCD.
5. A FAX will not be accepted.

Funds will be sent to you in accordance with the payment schedule in the grant agreement.

Sincerely,

Attached is your city's grant agreement for the next fiscal year and an accompanying Grant Offer Letter. Please take time to read the Letter for information as to how to proceed with the grant agreement. If at all possible, I would like to receive the signed agreements back by the end of July. If this cannot be done within that time frame, please let me know.

Also, please note, that we making the move toward conducting business more electronically and less by snail mail. Therefore, we are accepting signed agreements which are scanned and forwarded back to us. Please do not use the fax. If your office doesn't have the capability to scan the signed document, please continue to send two signed agreements to me by US Mail, and I will return your copy signed by DLCD in like manner.

Looking forward to another year working with you all. As always, please let me know if you have any concerns or questions.

Attachment A

Work Program

By agreement with the federal Office of Ocean and Coastal Resource Management (OCRM), use of funds under this grant program is for work within the boundaries of those jurisdictions in Oregon's federally-approved Coastal Zone that have adopted comprehensive plans and land use regulations acknowledged by the Land Conservation and Development Commission (LCDC) and incorporated within the Oregon Coastal Management Program (OCMP).

NOTE: Grantee acknowledges that grant funds shall not be used for legal or administrative costs associated with defending the Grantee or other grantees from decisions made by the department or the commission.

Grant Matching Funds Requirement and Rate of Payment

1. This award requires the City of Gold Beach to provide \$4,500.00 in project-related matching costs from non-federal sources. The City must maintain an accounting for \$9,000.00 in its official records.
2. Matching funds, whether in cash or in-kind, are expected to be paid out at the same general rate as the state share, and matching fund accounting shall be included with each reimbursement request. Exceptions to this requirement may be approved by the Grant Manager based on demonstration that the schedule of tasks for the project and the rate of local match for these tasks justify a delayed payout of cash or in-kind contributions. In any case, the Grantee must fulfill the non-Federal matching commitment over the life of the award.

Payment and Reporting Schedule

1. Reimbursement up to 50% of the grant award will be made upon completion of a semi-annual report due January 31, 2015, for the period July 1, 2014 to December 31, 2014;
2. Final reimbursement up to the total amount of the grant will be made upon completion of a second semi-annual report due July 31, 2015, for the period January 1, 2015 to June 30, 2015.

Please note: DLCD will NOT make payment when semiannual reports are more than 60 days beyond the due date.

The following reports are *required* on an on-going basis and in addition to the two semi-annual reports required above:

- Notice of pending land use decisions shall be provided on an ongoing basis to the appropriate DLCD Coastal Regional Representative *before* land use decisions are made. Staff reports and draft findings of fact shall be submitted to the Regional Representative with these notices;
- If this Grant Agreement is terminated for any reason, a final programmatic and financial closeout report is required within 30 days.

Grantee agrees to

1. Designate a Coastal Specialist(s) responsible for preparing staff reports and draft findings of fact for proposed local land use decisions, reports of violations of local land use regulations, and results of field inspections and who will be a point of contact for the Department;
2. Provide **timely** notices, staff reports, and draft findings of fact related to proposed legislative and quasi-judicial land use decisions to the DLCDC Regional Representative and affected state and federal agencies before the decisions are made;
3. Coordinate with state agencies, federal agencies, and other units of local government, including port districts, to carry out the provisions of applicable acknowledged plan(s) and ordinances, and to identify plan and regulation violations;
4. At minimum, the Coastal Specialist, or the jurisdictions designee shall attend at least one of two semi-annual meetings of the Oregon Coastal Management Program Network Partners sponsored by the Department. DLCDC will reimburse Grantee, up to \$200 per person from this grant to support travel costs associated with attendance at such meeting. Grantee shall conduct all travel in the most efficient and cost effective manner resulting in the best value to DLCDC. The travel must comply with all the requirements set forth in this section and must be for official DLCDC business only. Grantee shall provide DLCDC with receipts for all travel expenses except meals. All Grantee representatives will be limited to economy or compact-sized rental vehicles, unless Grantee personally pays the difference. DLCDC will reimburse travel and other expenses of the Grantee at rates set forth in the Oregon Accounting Manual as of the date Grantee incurred the travel or other expenses. The Oregon Accounting Manual is available at <http://www.oregon.gov/DAS/SCD/SARS/policies/oam/40.10.00.PO.pdf> ;
5. Provide pre-application advice and information to potential applicants about acknowledged comprehensive plan and land use regulations that may be applicable, identify sources of technical information that may be useful in addressing these requirements, and invite DLCDC to participate in pre-application conferences as appropriate;
6. Provide, upon request, timely findings or certification of compatibility of proposed land use actions or permits with applicable provisions of acknowledged comprehensive plan(s) and land use regulations to relevant state and federal agencies to which application has been made and for which a statement of Land Use Compatibility (LUCS) is required by the state or federal agency
7. Retain all financial and personnel records pertaining to grant expenditures and local matching funds for a period of at least three years from date of filing of final report on this grant, as provided under Standard Conditions, below;
8. Advise in a timely way the Department's Regional Representative of any amendment that may be needed for this grant agreement; and

9. Provide two semi-annual reports to the Department as specified in this agreement.

Use of Grant Funds

Funds received by the Grantee pursuant to this agreement shall be expended only to accomplish and carry out one or more of the following activities:

1. Carry out administrative actions including zone changes, conditional uses, variances, permits, partitionings and other development applications, and similar ministerial and quasi-judicial actions;
2. Codify plan documents and land use regulations, including conversion to digital data bases;
3. Collect data, conduct inventories and studies related to comprehensive plan elements, ancillary or functional plans, and land use regulations;
4. Develop and conduct special public workshops and technical training programs on land use;
5. Develop, amend, or implement intergovernmental coordination programs or agreements;
6. Enforce land use regulations, including developing and implementing dispute resolution programs;
7. Conduct or sponsor land use training for local elected and appointed officials, staffs, and citizens on land use;
8. Make legislative land use amendments to comprehensive plans and land use regulations;
9. Purchase maps and aerial photos to support land use planning functions;
10. Support citizen involvement programs and activities;
11. Update and reprint maps, develop GIS data, inventory data and plan documents;

Standard Conditions

1. The funds made available under this agreement are federal funds (CFDA #11.419) and may not be used to supplant state or local government funds that would otherwise be available in the absence of such federal funds.
2. The cover or the title page of all reports, studies, or other documents supported in whole or in part by this award or any subawards shall acknowledge the financial assistance provided by the Coastal Zone Management Act of 1972, as amended, administered by the Office of Ocean and Coastal Resource Management, National Oceanic and Atmospheric Administration, through a grant to the Department of Land Conservation and Development.

3. The Grantee, upon signing the Grant Agreement, agrees to designate a Coastal Specialist(s) either in a cover letter accompanying this agreement, or in an e-mail to diana.evans@state.or.us;
4. DLCD's Right to Terminate at its Discretion. At its sole discretion, DLCD may terminate this Grant Agreement:
 - For its convenience upon thirty (30) days' prior written notice by DLCD to Grantee;
 - Immediately upon written notice if DLCD fails to receive funding, appropriations, limitation, allotments or other expenditure authority at levels sufficient to pay for the Work or Work Products; or
 - Immediately upon written notice if federal or state laws, regulations, or guidelines are modified or interpreted in such a way that the DLCD's purchase of the Work or Work Products under this Grant Agreement is prohibited from paying for such Work or Work Products from the planned funding source.

DLCD's Right to Terminate for Cause. In addition to any other rights and remedies DLCD may have under this Grant Agreement, DLCD may terminate this Grant Agreement immediately upon written notice by DLCD to Grantee, or at such later date as DLCD may establish in such notice, or upon expiration of the time period and with such notice as provided below, upon the occurrence of any of the following events:

- Grantee is in default because Grantee institutes or has instituted against it insolvency, receivership or bankruptcy proceedings, makes an assignment for the benefit of creditors, or ceases doing business on a regular basis;
- Grantee is in default because Grantee commits any material breach or default of any covenant, warranty, obligation, or agreement under this Grant Award, fails to perform the Work under this Grant Award within the time specified herein or any extension thereof or so fails to pursue the Work as to endanger Grantee's performance under this Grant Award in accordance with its terms, and such breach, default or failure is not cured within 14 calendar days after DLCD's notice, or such longer period as DLCD may specify in such notice.

Return of Property: Upon termination of this Grant Award for any reason whatsoever, Grantee shall immediately deliver to DLCD all of DLCD's property (including without limitation any Work or Work Products for which DLCD has made payment in whole or in part) that is in the possession or under the control of the Grantee in whatever stage of development and form of recordation such Grantee property is expressed or embodied at that time. Upon receiving a notice of termination of this Grant Agreement, Grantee shall immediately cease all activities under this Grant Award, unless DLCD expressly directs otherwise in such notice of termination. Upon DLCD's request, Grantee shall surrender to anyone DLCD designates, all documents, research or objects or other tangible things needed to complete the Work and the Work Products.

5. The Grantee will maintain standard accepted accounting and fiscal records of the receipt and expenditure of funds by the grantee. The account records for the expenditure of these funds shall be distinguished from the account records of all other funds. Allocations for the time devoted by the designated Coastal Specialist(s) to this award shall be accounted for on a daily basis.

6. The Comptroller General of the United States, the Secretary of Commerce of the United States, the Inspector General of the United States Department of Commerce, the Attorney General of the State of Oregon, the Secretary of State of the State of Oregon, and the Director of the Oregon Department of Land Conservation and Development, or any other duly authorized federal or state representative, shall have access to the documents, papers, and records of transactions related to this Grant. Any special program or financial reports shall be promptly submitted to the Director of the Department of Land Conservation if so requested. All records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three years after the completion of the final financial closeout report, whichever is later.

The Grantee is subject to the requirements of 2 CFR 225, 15 CFR 24, and audit requirements found in the Single Audit Act of 1984, P.L. 98-502 and the Single Audit Act Amendments of 1996, P.L. 104-156, as implemented by OMB Circular A-133. In order for the department to comply with the Single Audit Act, the Grantee shall submit to the department, as soon as available, a copy of all audits and compliance correspondence for the audited period covering the payment of federal funds under this agreement.

7. Positive efforts shall be made to use small businesses and minority-owned businesses as sources of supplies.
8. No member of or delegate to Congress, or resident commissioner, shall be admitted to any share or part of this agreement or to any benefit which might arise therefrom.
9. The Grantee agrees to comply with the non-discrimination requirements below:

Statutory Provisions

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.) and Department of Commerce implementing regulations published at 15 CFR Part 8 which prohibit discrimination on the grounds of race, color, or national origin under programs or activities receiving Federal financial assistance;
- Title IX of the Education Amendments of 1972 (20 USC §§1681 et seq.) prohibiting discrimination on the basis of sex under Federally assisted education programs or activities;
- Section 504 of the Rehabilitation Act of 1973, as amended (29 USC § 794) and Department of Commerce implementing regulations published at 15 CFR Part 8b prohibiting discrimination on the basis of handicap under any program or activity receiving or benefiting from Federal assistance;
- The Age Discrimination Act of 1975, as amended (42 USC §§6101 et seq.) and Department of Commerce implementing regulations published at 15 CFR Part 20 prohibiting discrimination on the basis of age in programs or activities receiving Federal financial assistance;
- The Americans with Disabilities Act of 1990 (42 USC §§ 12101 et seq.) prohibiting discrimination on the basis of disability under programs, activities, and services provided or made available by state and local governments or instrumentalities or agencies thereto, as well as public or private entities that provide public transportation;
- Any other applicable non-discrimination law(s).

Other Provisions

- Parts II and III of EO11246 (30 FR 12319, 1965), as amended by EO 11375 (32 FR 14303, 1967) and 12086 (43 FR 46501, 1978), require federally assisted construction contracts to include the nondiscrimination provisions of §§202 and 203 of that EO and Department of Labor regulations implementing EO11246 (41 CFR § 60-1.4(b), 1991).
- EO 13166 (August 11, 2000), “Improving Access to Services for Persons with Limited English Proficiency,” and Department of Commerce policy guidance issued on March 24, 2003 (68 FR 14180) to Federal financial assistance recipients on the Title VI prohibition against national origin discrimination affecting Limited English Proficient (LEP) persons.

JULY 2014 CA REPORT

Since the June 9th council meeting I have initiated or responded to 575 emails. This does not include the ones I just read, or read and file.

Unfortunately I was off sick with bronchitis from July 1st until the 14th—that's the longest I have ever taken sick leave! I was not able to complete the June financial data in time for this meeting as a result but I will have that to you before the end of the week. I have it about 75% done as of right now.

Public Works

- Will and I participated in an OEM Hazards Mapping outreach meeting on June 20th
- Bid for Jerry's Flat waterline work
- Pump station plans up at USDA—bad news on state engineer status which could be a problem

Police

- June stats are attached.
- Dixon's good stuff!

Visitor Center/Promotions

- Occupancy was at 51% for May—up 3% over 2013 and 10% over 2012. June was 64% up 1% over 2013 and 5% over 2012. Occupancy stats attached.
- Foreign visitor stats attached
- Attended following tourism related meetings:
 - RTS Steering Committee meeting X 2
 - Quarterly Oregon Coast Visitor Association (OCVA) meeting. I am the VP of this organization.
 - AWRC-Wild Rivers Coast board meeting—I am VP of this group
 -

Administration & Finance

- The hospital issue is still out there and taking a lot of time.
- Had an administrative audit with PERS last month
- Met with your regional Workforce Analyst from the Employment Department to discuss local economic development and employment issues for Gold Beach and for Curry County
- Michels property cleanup went to the municipal court on June 25th
- I attended the Southcoast Development Council annual meeting in Coos Bay—I had been nominated for a board position but no Curry folks were appointed.
- We had no bids for the fire hall renovation so I sent individual bid requests to 9 licensed Curry County contractors requesting they bid.
