#### STANDARD CONDITIONS FOR INSTALLATION ON PROPERTY OWNERS SIDE

1. Call utility notification center (1-800-332-2344) 48 hours prior to construction.
2. **Provide 48 notification to Public Works Department (541-247-7459) prior to construction and for connection inspection.**
3. Contractor/Owner shall call for inspection prior to back-filling trench for staff to verify materials (CDF or compacted rock) and asphalt/concrete patch. **Lines not inspected by Public Works staff will be uncovered at property owner expense.**
4. Existing septic tanks must be pumped and filled with sand or removed and disposed of at a licensed site. Receipt from the disposal site must be submitted to the City within five (5) days of removal.
5. **Billing for base sewer charges will begin on the water meter installation date regardless of actual water usage.**
6. Owner shall obtain a permit to conduct work within the Public Right-of-Way as required from City, County, and/or State.
7. All construction must meet or exceed City standards and specifications.

#### APPLICANT/OWNER CERTIFICATION

By my signature, I certify that I am the owner, or have the owner's consent/authorization to apply for a permit(s) on the above referenced property. By my signature I certify that the information provided herein is correct. I certify that all provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. By signing this application form I acknowledge that I am granting the City of Gold Beach staff or their agent(s) authorization to enter onto the subject property for the purposes related to this application proposal.
